General Updates

1. Based on questions that were submitted by community members at previous NAC meetings and community gatherings, LMU posted a list of Q&A's on its website. This list can be found on [www.lmu.edu/community](http://www.lmu.edu/community) under the "NAC" drop down menu.
2. The residents from a block of Fordham Ave submitted a petition to the City for preferential parking on their street.

The first half of this meeting was spent reviewing some of the Q&A's that were printed out for all attendees (also available online) and provided local residents with the opportunity to ask follow up questions.

Councilman Bonin was in attendance and spent the bulk of the second half of the meeting addressing and answering questions from those in attendance.
